CIOBOTARU VALENTIN-ADRIAN

I am a very motivated and ambitious person. Given the fact that we live in a world that is constantly changing, I am always trying to learn new skills. I am capable of working individually also within a team setting.

EXPERIENCE

Front-End Web Developer

The Informal School of IT Brasov, Romania

December 2019 – May 2020

- Front-End Web Developer: **HTML, CSS, GITHUB, JavaScript, DOM Manipulation, JQuery, OOP, ES6, React, JSON.**
